NO CALL NO SHOW POLICY

In our office we reserve our time to serve you and your family. We understand that life happens, and appointments may need to be changed or canceled for emergent reasons. In this event we request that you give our office a call ASAP to change your scheduled appointment OR use your SKED appt. on your phone. We base our schedule and staffing needs on the anticipation of everybody making their appointments, making each scheduled appointment very important. Most importantly, it affects our committed practice members and others who rely on their scheduled time and who could have taken someone else's missed appointment spot. TWO "no call no shows" for regular adjustments are granted to a practice member in the event of an emergency, but there is no tolerance for chronic "no call no shows". Following the 3rd "no call no show" our billing department will automatically apply a \$25 "no call no show" fee to the credit/debit card on file per family member at the end of the business day. For special appointment codes that require an evaluation room and a team member (Example: reevaluations, x-rays, Annual Health Reviews, etc.) our billing department will automatically apply a \$25 "no call no show" fee to the credit/debit card on file per family member at the end of the business day for all missed special appointments. Ultimately, being consistent with your care will yield the best results for your health.

- I understand the above cancellation policy as well as the penalty fees that may be applied to my credit/debit card.

X-RAY AUTHORIZATION

As your healthcare provider, we are legally responsible for your chiropractic records. We must maintain a record of your x-rays in our files. At your request, we will provide you with a copy of your x-rays in our files. Digital x-rays on a CD will be available within 72 hours of request on any regular practice hours day. Please note: X-rays are utilized in this office to help locate and analyze vertebral subluxations. The doctor of Highest Health Chiropractic does not diagnose or treat medical conditions; however, if any abnormalities are found, we will bring it to your attention so that you can seek proper medical advice. By signing below you are agreeing to the above terms and conditions.
